The bliss of faith enfolds us. These are the things we know.

Though all our earthly comforts and earthly joys should cease.

The least that trusts in Jesus shall rest in perfect peace.

We hear him when he whispers in accents soft and low.

These are the things we know.

Whereas, it has pleased the Almighty God to pluck from our neighborhood its choicest flower, Brother Wm. George, a devoted and loving husband and true neighbor.

We mourn his loss because we loved him, brother George was always ready and willing to give advice when needed.

Often he referred to the commandments of old that reads, "Thou shalt not bear false witness against thine neighbor."

In any conversation with Brother George he would speak of Christ and His righteousness.

WHY

KAP-O-LINE

Wins Preference

For fifteen years Kapoline has stood the test of time as the severest test of any product.

It could fill this whole paper with testimonials from persons who endorse Kapoline after all else has failed. Kapoline is just what nature needs as aid in producing a beautiful growth of long straight hair. Not the matted gummy kind, but hair that is fluffy and full of life, checks falling hair, eliminates dandruff, strengthens and promotes a growth of long silk-like hair.

KAPOLINE MAKES NOTTY KINKY HAIR STRAIGHT WITHOUT HOT IRONS.

The hair must be thoroughly washed. We recommend Kapoline Shampoo, as it puts the hair in a clean and supple condition. To apply Kapoline rubbing well into the scalp at six nights, brush and comb the hair thoroughly night and morning during the treatment. After about six days' treatment you will have beautiful straight hair, Kapoline saves worry, throw away your hot combs that are only drying your scalp and doing no good whatsoever.

Price of Kapoline 35 cents per jar; Kapoline Shampoo 50 cents per jar; sold by most druggists or mailed upon receipt of price. Manufactured by STONE & CO., Perfumers, Dallas, Texas.
